Presenting Evidence to Open Minds...

Open Minds Production, LLC. is a research-based organization with a mission to investigate and report evidence of extra-terrestrial, UFO, and other phenomena to a global audience. To do this, Open Minds utilizes a website, a magazine, a radio show, the largest UFO conference in the United States, and a television show currently in production.

Open Minds Magazine

Open Minds Magazine: THE DEFINITIVE UFO NEWS SOURCE

Editorial Content:

Open Minds Magazine is a 100-page, full-color magazine, published by Open Minds Production, LLC six times per year. The magazine is distributed throughout the U.S. in Barnes and Noble, Borders, and select independent bookstores. Open Minds Magazine is the only U.S. magazine that provides a comprehensive and compelling overview of the UFO phenomenon. The publication includes content from all over the globe, complete with unique artwork, compelling imagery, powerful feature articles and the latest news stories.

This exciting new magazine explores the true nature of the UFO phenomenon in terms of its history, evidence and enormous sociopolitical and scientific implications. Open Minds Magazine is presented objectively with a focus on the facts, yet the publication is destined to change our current outlook on UFOs – an outlook that has been affected for decades by the stigma of ridicule and a relentless process of misinformation and/or disinformation by the mainstream media.

Open Minds Magazine is written and edited by a team of internationally-recognized journalists and researchers who have worked in the UFO arena for decades. They are supported by a network of highly qualified experts and writers.

Estimated Readership:

According to the most recent and authoritative poll data, more than 50% of the U.S. population believes that the UFO phenomenon is real. Moreover, a large portion of this group is also convinced that the truth has been concealed from the public eye by a governmental and/or military cover-up.

Open Minds Magazine is targeted to the vast and highly educated social segment fascinated with mysteries, anomalies and the unusual. Tens of millions of people spend their hard-earned money in this particular genre of movies and entertainment, and also non-fiction publications such as Open Minds Magazine. Humans have certainly watched the skies since the dawn of mankind because they are intrigued by the infinite spectacle of the stars and the mystery of other intelligences that could interact with Earth.

Thanks to Open Minds Magazine, readers, curious scholars, and even skeptics and rationally minded followers of the scientific method, will find some provocative answers to the most fascinating question: Are we alone in the universe?

Open Minds Magazine expects that each of its six annual issues will gain a readership of about 75,000 people. Of these readers, about one-third is engrossed in the UFO phenomenon and belong to UFO groups, attend conferences, interact online in UFO forums, etc. This magazine satisfies them, as well as an immense group of casual observers whose interest is piqued by the engaging topic of UFOs. Nothing compares to the effectiveness of a high-quality, print magazine, and Open Minds Magazine is rapidly becoming THE source for compelling and trustworthy information about UFOs.
